SUMMARY

Full Stack Developer with previous work experience as a Certified Public Accountant (CPA). Known throughout the 7 years of experience to be meticulous, resilient and innovative. Also a Full-Stack Web Development Bootcamp Certificate programme graduate with a portfolio of work available on GitHub, where I have successfully collaborated in a team of 4 to create Babylon, which is an e-commerce platform that allows Brands to list their products and promote these via Influencers and built with state-of-the-art technologies including the MERN stack, GraphQL and Stripe. I'm thrilled to further my contributions to the development community as part of an innovative and quality-driven team.

TECHNICAL SKILLS

Frameworks: React.js, Next.js, Node.js, Express.js, MUI, Bulma, and Bootstrap.

Programming Languages: JavaScript (ES6), Perl and R.

Technologies: MongoDB, MySQL, GraphQL, RESTful API's, MUI, Handlebars.js, Cloudinary, Redux, jQuery, Git, GitHub, HTML and CSS.

PERSONAL PROJECTS

PROFESSIONAL EXPERIENCE

Sep 2020 – Nov 2021 **FHL** Berkshire
Finance Manager – Financial Reporting (worked remotely from home in Manchester)

- Built effective visualisations and dashboards using ggplot2 and Microsoft Excel.
- Rebuilt processes using R to improve the accuracy and efficiency of certain processes related to the preparation of financial statements.
- Accomplished reviews of fair value and cash flow hedge accounting journals and liaised with third party experts and internal department heads to oversee and manage the hedge accounting process.
- Completed critical reviews of financial models in Excel to help ease the cash flow forecasting process in relation to several processes.
- Liaised with external auditors on audit queries in relation to critical areas of the audit process.
- Resolved issues related to complex financial models in relation to IFRS 9 and communicated findings directly to the Head of Financial Reporting and the CFO.
- Trusted by the Head of Financial Reporting and CFO to accomplish multiple critical projects.

Jan 2019 – Jul 2020

KPMG UK
Assistant Manager – Financial Services

Manchester, M2 3AE

- Handled inquiries with Department Heads, and Team leaders throughout the audits of multiple engagements.
- Executed annual financial statements reviews, annual reports and group reporting information with supporting documentation under various accounting standards (i.e. IFRS, US GAAP, FRS 101, and FRS 102)
- Facilitated audit close meetings with multiple clients and contributed to the team discussion on various points.
- Devised procedures in relation to complex audit transactions surrounding debt sale processes for credit businesses, which involved forward flows, insolvency sales and spot sales. Additionally, developed an understanding of the processes surrounding the opposite side of the transactions through leading the audit of debt purchasers.
- Trained and coached a group of 3-5 junior team members and communicated results directly to Senior Management.

Mar 2017 – Jun 2018

PricewaterhouseCoopers Dubai, UAE
Acting Manager - External Audit (*Promoted to an acting Manager role in five months*)

- Inspired and mentored Senior Associates and conveyed engagement progress to Directors and Partners.
- Participated in discussions with high-profile clients in clearance meetings and also contributed to internal discussions with PwC's Department Head's such as Risk & Quality, Capital Markets and accounting advisory services (CMAAS), and Methodology to resolve pertinent accounting, auditing, and legal issues.
- Managed a portfolio of clients, which constituted 7 teams, and monitored budgets to ensure that WIP is within budget and billed on time.
- Increased business prospects, by analysing the financial position and performance of prospective clients, writing proposals and promoting the business.

Aug 2015 – Mar 2017

KPMG Channel Islands Limited
Assistant Manager - External Audit

Channel Islands, GY1 1WR

- Undertook the field in-charge role on large and complex engagements.
- Collaborated on the annual review of the Fiduciary Services sector in Guernsey with the Advisory team and completed a deliverable to the Guernsey Financial Services Commission (GFSC).
- Mentored teams of 1-3 junior members and performed critical reviews of their work papers.
- Succeeded in addressing Managers' and Partners' queries and contributed to multiple control improvement findings to stakeholders.
